Zines & Individual Book Arts Table

Up to 6 editions or multiples/individual works per artist/collective/publisher: £10+VAT plus 20% commission on sales

We know that some artists don't have enough work to fill a whole table or stand or simply live too far away to consider travelling to exhibit or sell. This option is for individual book artists, small publishers and zine-makers to submit up to 6 works (editions/multiples welcomed) to be exhibited/sold, alongside other artists and publishers, by our festival volunteers.

You may submit up to 6 books/zines/multiples – these can be editions, or one-off pieces. If you're submitting an edition (or several) we will take as many as you'd like to ship to us (with a limit of 40 copies of each, unless the book/multiple is very large or heavy – in which case we'll make a decision on that on an individual basis).

You will need to drop off or ship the works to us, fully labelled, priced, and in sturdy boxes – we will need to receive them at the latest Tues 10th June. Please also consider the return shipping / collection by courier costs to you.

If you are interested please email or fill in an application. If successful you will be asked to provide a full list of works, with sale prices; plus further info on shipping and collection will be provided.
